LET'S GET WILD ABOUT READING!

HERE'S HOW TO PARTICIPATE IN THE 2019 SUMMER READING CHALLENGE:

Read. Win Things! It's that simple.

FILL OUT YOUR LOG!

You can keep track of your reading with the individual reading log on the back cover of this guide. If you are a kid up to age 11, you need to read ten books (or, if you're reading chapter books, read for four hours total). If you're a teen or adult, you can read for four hours, too.

You then turn in your log at your local branch of the Chattahoochee Valley Libraries and you'll get a small completion prize and an entry into our Grand Prize Drawing for games, gift cards, tech toys and more.

And pick up another log! The wilder you are about reading, the more completions (and entries) you will receive!

FAMILIES CAN READ TOGETHER

We have a special completion log for families that read together... it's on page 19. This way you don't have to complete a form for each child! Just read those books together, then bring the family form to your library. Everyone listed gets a completion prize and an entry into their age group's Grand Prize Drawing!

WILD PROGRAMS ALL SUMMER LONG!

We have HUNDREDS of free programs for you, your family and your friends to attend! Just flip through this guide for great events happening near you!
